

Dear Parent/ Guardian,

As always the summer flew by! I hope you all had a great summer and are not missing the kids too much as they settle back into school. I would like to introduce a new way to record, track and monitor homework that we are using.

We all know that when parents and teachers work together we get the best outcome for your child. We have invested in Show My Homework, an online tool to help you keep track of your child's homework. Show My Homework will allow you to see the details of the tasks your child has been set, all their deadlines and their submission status and grades. We have decided to bring on this system to improve the way we communicate with parents and give you greater visibility into the homework we set.

You will be provided with login details to your personal account which is linked to your child's homework calendar where you will be able to see your child's To-do List and any homework that is overdue. These logins will be given to your child. We hope that the benefit of SMH will be:

- 24/7 access
- View quality and quantity of homework
- Translation into over 50 languages
- Apps available for iPhone, iPad, iPod Touch and Android devices
- Receive automated notifications before homework is due

We hope that this service will provide parents with a deeper insight into the homework your child receives. More importantly, we hope that it will improve your child's organisation, time-management and help them to keep on top of their workload.

To keep up to date on the move please download the Show My Homework app once you receive your login details, you will then be sent push notifications to let you know what homework is due. You will also be notified of grades, overdue homework and announcements/events.

If you or your child have any questions about the service, please don't hesitate to get in touch with the team at Show My Homework, who are always happy to help. Just visit [help.showmyhomework.co.uk](http://help.showmyhomework.co.uk) or call 0207 197 9550.

As usual if you have any concerns please do not hesitate to contact us by phone or email, all emails can be found on our website.

As always thank you for your support,

Angela Passmore
